## How to use Top Hat: Participants Guide

---

At today's event, we will be using Top Hat, a polling service that shows answers in real-time.

### Using a web browser.

- Top Hat can be used on a computer, tablet or smartphone. No download or app is required.
- Open the link that was provided to you.
- Please select **Enter as a Guest**.
- **You do not need to log in or create an account.**
- If you have used Top Hat previously, please clear your cache. This will help streamline your experience.
- Wait until a question is shown on screen.

Anonymous "Guest" Access

This course allows for guest participation. Guest activity will be erased when you log out.

Enter as a Guest

in Code: 754755  
Text 6210 + your response to (647) 931-6504

Years of Practice

A 0-5

B 6-10

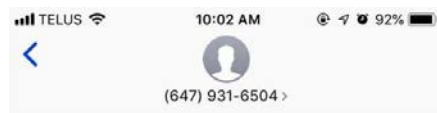

C 11-20

D More than 20

- You will only be able to submit answers while the question is on screen. If the screen is showing the results of the poll, it is no longer accepting answers.
- Click on the desired option or type in your answer.

### How to text your answer.

- Send a text message using the phone number provided on screen.
- When the question is showing on screen, text the 4 digit code followed by your answer.
- You will need to use a new 4 digit code with each new question.
- Standard text messaging rates apply
